**OWP.com: Why do you love playing water polo?**

*SF: Water polo is my passion and every time I walk into a pool area, I feel at home. Water polo is a safe space for me.*

**OWP.com: Favorite memory so far from playing water polo?**

*SF: My sophomore year my high school team was playing Sycamore and we were tied in the last quarter. With a few seconds left on the clock, my senior friend and teammate, Lindsey Matulis, gave me a beautiful pass to which I finished in a shot. The ball left my hand as the buzzer went off and sailed into the upper corner of the net. Everyone went completely insane and I felt like I was on top of the world.*

**OWP.com: Favorite post game food?**
