Betsey Fisher, Senior

Worthington Kilbourne High School

OWP.com: Why do you love playing water polo?

BF: It's my passion. It's always been a family thing and it makes me the happiest.

OWP.com: Favorite memory so far from playing water polo?

BF: Getting to play with all three of my sisters on a high school team has really made playing that much better. The Fisher power plays really come out.

OWP.com: Favorite post game food?

BF: Beef Jerky.

OWP.com: Do you want to play water polo in college?

BF: I want to, but it depends on the schools and my major.

OWP.com: Other than playing water polo, what other hobbies do you have?

BF: I don't do much except play water polo. I am really good at math so I enjoy doing my math on my off time. I love hanging out with my friends, they all support the time and effort I put into the sport.

OWP.com: Other than water polo, what is your favorite sport?

BF: I only play one other sport, so swimming it will have to be. :)

OWP.com: What is your favorite subject in high school?

BF: Math, by far.
