OWP: Why you love playing water polo?

KW: I love spending time with my team and I love the competitive nature of water polo. It's amazing to see how a group of very different people can come together to work toward a common goal!

OWP: Favorite memory so far of playing water polo?

KW: I have too many great memories to choose a favorite, but one of them would have to be my first tournament freshman year. It was the first time I had ever really felt what being on a team was like, and it was also then at that I fell in love with water polo.

OWP: Favorite post game food you like to eat?

KW: Ice-cream

OWP: Do you want to play water polo in college?

KW: Yes

OWP: Other than play water polo, fun hobbies you have?

KW: My hobbies outside of water polo include painting, ceramics, and cooking.

OWP: Other than water polo, what is your favorite sport?

KW: Rowing

OWP: What is your favorite subject in high school?

KW: Ceramics

OWP: What is your favorite movie?

KW: Pitch Perfect
